Condition	USED
Engine Size	999 cc

FEATURES

Features

ENGINEERED FOR WORK: When you combine class-leading 13 in. of ground clearance with a strong armor under-body skid plate you've got a UTV that can conquer any terrain to help you through your toughest workdays or long trail rides on your days off. 13 in. Ground Clearance and 11 in. Suspension Travel.

DESIGNED FOR COMFORT: Purpose-built Pro-PVT clutch delivers ultra-smooth engagement, and with 3 drive mode throttle control, the rider can choose the ride mode for the task at hand. Combine the smooth ride with premium automotive-style interior fit and finish, an all-new steering wheel, and plush seating to deliver all-day comfort. EBS, EPS & 3-Mode Throttle Control, 5 gallons of premium in-cab storage and 5 in. more room for easy entry and exit.

BUILT TO LAST: The rigid one-piece chassis paired with a strong under-body skid plate and massive front bumper makes this beast ready to handle any terrain. The sealed bushings and bearings deliver lasting performance and quieter operation. All this combined with the ability to add Factory Choice Packages makes RANGER XP 1000 the most capable work partner. Full-body Skid Plate and Massive Front Bumper, Sealed Bushings and Bearings, 5 Factory Choice Packages Available.

EXTREME COMFORT: Driver-first design with a refined interior and easy entry and exit with 5 in. more room makes for ultimate all-day comfort.

AMPLE STORAGE: Spacious cab comes standard with 13.5 gallons of storage with in-floor D-Rings, and features under seat solutions for both the driver and passenger.

IN-CAB ESSENTIALS: Integrated dual glove box for secure, easy to access storage plus 6 oversized cup holders and 2 bottle holders.

ALL-DAY COMFORT: Adjustable steering wheel, plush cushion seats and seat sliders provide premium comfort for long days.

RUGGEDLY DURABLE: This machine only gets tougher over time with the heavy-duty Pro-PVT clutch system and 32% larger drive belt for longer life.

PERFORMANCE WITH PRECISION: 3-Position, user-selectable throttle control to select from Performance, Work and Standard mode depending on the job or trail.

HEAVY DUTY TIRES: Massive 27" Maxxis® 6-Ply tires, providing unrivaled traction and puncture resistance for sharp elements on the terrain.

MAXIMUM PROTECTION: Class-leading protection come from the full-body skid plate and 13" ground clearance.

DESCEND CONFIDENTLY: Integrated engine braking ensures ideal power and control on the steepest descents.

CAPABILITY AND VERSATILITY REDEFINED: Big cargo box capacity with innovative features providing hauling solutions to haul more for big jobs or long recreational days. A sturdy tailgate with automotive-style handle and latching mechanism making it easier to load and unload your items.

HALF TON CAPACITY: Our deepest cargo box yet lets you confidently haul up to a class-leading 1,000 lb.

5-GALLON BUCKET RINGS: The wide box dimensions allow you to fit up to four 5-gallon buckets across a single row of the bed. Regardless of shape or size, so no item is left behind.

REINFORCED TIE-DOWN POINTS: Utilize the four standard tie-down points to secure larger loads for any job.
