Description

Growing Minds and Bodies

Come join Kiddie Kampus in helping students as they are growing their minds and their bodies. The winner of this package will take home a Stanley Kids wheelbarrel full of fun for their growing bodies and minds. With a set of gloves, apron, and Stanley Jr. gardening tools, a terrarium grow kit, and a Build a Garden block set, any child can have hands on fun in the garden or outside. The variety of books is great for a children's library, adding "Worm Weather" by Jean Taft, "Have you Seen a Flower" by Shawn Harris, "Secrets of the Vegetable Garden" by Carron Brown and Giordano Poloni, and so many more. The pop-it and pillow are great to wind down after a full day of playing and reading. Make sure you bid to take home this prize for a child in your life.

Includes: "My first book of Vegetables", "Worm Weather" by Jean Taft, "Going to the Lake" "Have you Seen a Flower" by SHawn Harris, "Secrets of the Vegetale Garden" by Carron Brown and Giordano Poloni, mix of children's books , large pop-it, terrarium kids grow kit, "Build a Garden" block set, flower pillow, Stanley Jr. garden tools, Stanley Kids Wheelbarrow, gloves, and apron,
